

# A warm welcome to Juniper Elimatta

**Juniper Elimatta is a warm and welcoming Residential Aged Care Home located just north of Perth, on the doorstep of Mount Lawley.**

Conveniently located next to Elimatta Retirement Living Village, residents are free to enjoy the courtyards and participate in lifestyle and therapeutic activities. Families are invited to spend time together in the cosy lounge areas, and the much-loved sunroom or participate in activities.

A compassionate and respectful team of staff support residents to continue pursuing their own interests, backed by individualised clinical care.

## The DINE Experience

At Juniper, we believe food is one of life's greatest pleasures, and serving wholesome, nutritious meals is the key to supporting our residents to live their best life. Each resident enjoys food from our DINE (Dignity In Nutritional Excellence) initiative. Our seasonally-driven menus are designed by our chefs and prepared daily at our on-site kitchen using local, quality ingredients.

**“Family like care, very careful of resident’s needs, good kitchen and lots of entertainment for happy times.”**

**- Lorena Busia, resident’s family**
