

A warm welcome to Juniper Guwardi Ngadu

At Juniper Guwardi Ngadu Residential Aged Care Home in Fitzroy Crossing, outdoor spaces hold a special significance. The home provides individually tailored and culturally appropriate care, with dining and living spaces thoughtfully designed outside, so residents can enjoy a close connection to country.

The single-level home has 12 newly renovated shared rooms that overlook a central courtyard.

From painting, craft afternoons and yarning to evenings together around the fire pit, there are many activities to enjoy at Juniper Guwardi Ngadu Residential Aged Care Home.

The home proudly collaborates with Elders and local community members, fostering a strong connection to community, culture and family. The home also partners with Language Groups, Nindilingarri Cultural Health Services, and Mangkaja Arts, where residents can go to the studio or work in the art space within Juniper Guwardi Ngadu.

The DINE Experience

At Juniper, we believe food is one of life's greatest pleasures, and serving wholesome, nutritious meals is the key to supporting our residents to live their best life. Each resident enjoys food from our DINE (Dignity In Nutritional Excellence) initiative. Our seasonally-driven menus are designed by our chefs and prepared daily at our on-site kitchen using local, quality ingredients.

“The staff at Guwardi Ngadu have always supported my art and love listening to my stories. It is my happy place.” – Juniper Guwardi Ngadu resident, Johnny Prince Siddon
