

A warm welcome to Juniper Hayloft

Juniper Hayloft is a welcoming, vibrant and beautifully designed residential aged care home where residents can enjoy modern amenities connected seamlessly to the natural surroundings.

Spread across two storeys, the contemporary home has large single rooms with private ensuite, all with beautiful views of the surrounding bushland, open spaces or gardens. Abundant indoor and outdoor communal spaces enable residents to connect for dining, activities, or lounges or find a quiet nook to relax. Residents, their families and visitors are free to enjoy the playground and accessible walking tracks.

A wellness centre is focussed on promoting wellbeing and independence and for those residents that choose, Hayloft runs an engagement and enablement program that promotes independence, wellbeing and purpose.

The DINE Experience

At Juniper, we believe food is one of life's greatest pleasures, and serving wholesome, nutritious meals is the key to supporting our residents to live their best life. Each resident enjoys food from our DINE (Dignity In Nutritional Excellence) initiative. Our seasonally-driven menus are designed by our chefs and prepared daily at our on-site kitchen using local, quality ingredients.

“What a lovely aged care home. The surrounds are gorgeous but what makes Hayloft a place to safeguard your loved ones are the welcoming, friendly, caring and compassionate staff who treat everyone as extended family. I would give far more than five stars just for the peace of mind. A very big thank you.” – Lesley Maher

Address:

1 Lewis Road, Martin WA 6110

Meet Residential Manager

Kirsty Ibbitson

A Registered Nurse, Kirsty brings extensive experience in Aged Care and a passion for enabling residents to live life with purpose in the way they choose. After working as a Registered Nurse, Kirsty was promoted to a Residential Manager role in the United Kingdom at the age of 26. After moving to Australia she worked as a Clinical Nurse Manager, joining Juniper as a Registered Nurse before becoming Residential Manager at Hayloft in early 2022.

Kirsty enjoys building meaningful relationships with residents and the surrounding community and is an advocate for enabling older people to remain as independent as possible, have a meaningful place in community and to make choices in order to provide purpose and maintain self-esteem.
