

A warm welcome to Juniper Carramar

Conveniently located in the central suburb of Morley, Carramar Residential Aged Care is a warm and friendly place to call home. You will enjoy a close-knit community and strong social network.

Pamper yourself in the hair salon or relax in the cosy library – there are many comfortable spaces for you to savour a cuppa with friends or have a peaceful moment to yourself. With a range of shops located right next door, not to mention leafy parks and a nearby leisure centre, Carramar Residential Aged Care Home offers a wonderful lifestyle filled with choices.

Every day is filled with excitement and memorable moments. From concerts to engaging social club activities in partnership with the independent living units, there is always something happening to make each day enjoyable. Our home features a spacious community hall shared with the independent living units, creating a hub for connection, and fostering meaningful engagement among residents. Caring and compassionate staff will partner with you and your family to provide high-quality care that meets your individual needs.

“Good, caring and safe place for our senior citizens. Management is made of young, motivated nurses and carers. Well maintained.”
- Kiran, resident’s family

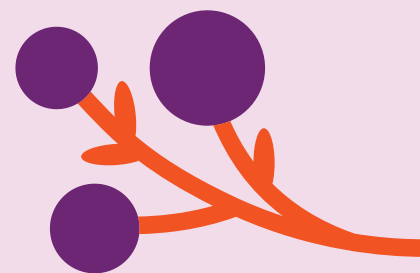

Address:

23A Redgum Way, Morley WA 6062

The DINE Experience

At Juniper, we believe food is one of life’s greatest pleasures, and serving wholesome, nutritious meals is the key to supporting our residents to live their best life.

Each resident enjoys food from our DINE (Dignity In Nutritional Excellence) initiative. Our seasonally-driven menus are designed by our chefs and prepared daily using local, quality ingredients.

Meet Residential Manager

Kim McDonald

Kim joined the Carramar team in 2015, bringing with her a wealth of experience from her previous Residential Manager role at Juniper.

Kim has been an integral part of the Juniper family for a remarkable ten years, with a career in aged care spanning all the way back to 1998.

With a background as an Enrolled Nurse, Kim's expertise and understanding of the industry are truly valuable. She has a genuine passion for providing the highest quality of care to residents. Having worked as an Enrolled Nurse in the past, Kim possesses a deep understanding of the needs of our residents. However, it's her genuine love for the residents and staff that truly sets her apart. She adores her team and finds immense joy in supporting them.
