

A warm welcome to Juniper Chrystal Halliday

Juniper Chrystal Halliday Residential Aged Care Home is a hidden oasis with stunning ocean and bushland views.

Located in Karrinyup, the contemporary and beautifully appointed home has a modern light filled interior, with large balconies on each floor for everyone to take in the beautiful views.

The much-loved home is designed to bring families and friends together and empowers residents to live life their way. A compassionate and respectful team of staff support residents to continue pursuing their own interests, backed by individualised clinical care.

The home has a big focus on lifestyle therapy, with an onsite wellness centre. Residents have the choice to be engaged in wide range of daily activities from exercise classes, board games and music concerts to bus outings and special events celebrating milestones, birthdays and holiday occasions.

The DINE Experience

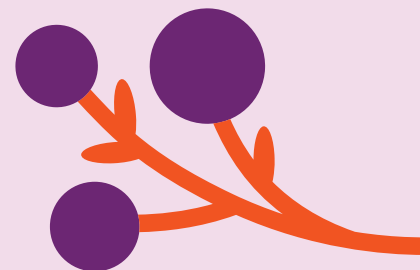

At Juniper, we believe food is one of life's greatest pleasures, and serving wholesome, nutritious meals is the key to supporting our residents to live their best life. Each resident enjoys food from our DINE (Dignity In Nutritional Excellence) initiative. Our seasonally-driven menus are designed by our chefs and prepared daily at our on-site kitchen using local, quality ingredients.

“Caring compassionate and empathetic staff.”
– Julieann, resident’s family
