

A warm welcome to Juniper Ella Williams

From the moment you walk into Juniper Ella Williams you sense it feels like home. With a comfortable light-filled environment, a vibrant atmosphere and welcoming long-term staff, residents immediately feel they belong to a community.

The home has an active social calendar of events and outings, from the Walking Warrior group, brain games and happy hour to welcoming performers for concerts, residents are free to partake as much or as little as they choose.

With 66 private rooms with ensuite with garden views spread across two wings, including a dementia-enabled care wing, residents can freely personalise their rooms to make them feel just right.

Visitors can also enjoy Café Ella, an in-home kiosk, with their loved ones, as well as the lounges, seating nooks, library, dining spaces and numerous courtyards.

“I consider myself lucky to have gotten a spot in Ella Williams for my Mum. The facilities are first rate; own room, proper physio equipment, lots of activities, good food, social programs. The amazing staff are dedicated, professional, knowledgeable and just really caring human beings. Get your loved one in if you can.” – Anthony, resident’s family

The DINE Experience

At Juniper, we believe food is one of life’s greatest pleasures, and serving wholesome, nutritious meals is the key to supporting our residents to live their best life.

Each resident enjoys food from our DINE (Dignity In Nutritional Excellence) initiative. Our seasonally-driven menus are designed by our chefs and prepared daily at our on-site kitchen using local, quality ingredients.

Meet Residential Manager

Mradula Adatia

A Registered Nurse, Mradula brings a depth of experience and passion for aged care to the role. Trained in the UK and working as a community nurse, Mradula embarked on her aged care career in Australia almost two decades ago.

She loves working with her “beautiful” residents to ensure her and her team make a difference in their quality of life.

She brings a sense of positivity to the home, instilling in her team to always provide person-centred care and to take the time to chat and get to know each person. She has an open-door policy and always welcomes feedback from families.
