

A warm welcome to Juniper Gerdewoonem

Juniper Gerdewoonem Residential Aged Care Home in Kununurra is deeply committed to providing individually tailored and culturally appropriate care. The home collaborates with Elders and local community members to foster a strong connection to culture and family.

Residents have access to various communal areas, including multiple dining rooms, a spacious central activity room, and cozy lounge areas. The home has beautifully landscaped courtyards, gardens, and a fire pit.

Our dedicated staff are committed to ensuring that every day is filled with fulfillment and joy. They prioritise supporting residents to maintain vital connections with their family, friends, and culture, whether it is through activities like playing the guitar, painting, singing, or sharing stories.

> "I have been made welcome by all staff. Rahul the Residential Manager executes his duties in a professional manner and in a caring way, which makes you feel like you have been listened to and heard."

The DINE Experience

At Juniper, we believe food is one of life's greatest pleasures, and serving wholesome, nutritious meals is the key to supporting our residents to live their best life. Each resident enjoys food from our DINE (Dignity In Nutritional Excellence) initiative. Our seasonallydriven menus are designed by our chefs and prepared daily at our on-site kitchen using local, quality ingredients.

Meet Residential Manager

Rahul Bhadoria

Rahul's journey at Juniper began in 2011 when he joined as a carer. Over the years, he has completed a Bachelor's degree in Biotechnology and Masters in both Biomedical Science and Nursing Practice.

In 2017, Rahul became a Registered nurse and then went on to take on the role of Clinical Nurse Manager. Rahul was appointed as Acting Residential Manager in 2022, and later that same year, he was officially appointed as the Residential Manager.

Rahul believes in active listening and ensures his residents feel heard and valued, encouraging them to share their invaluable knowledge, memories, culture, and traditions. Rahul's philosophy centers around building trust and acceptance, allowing residents to see the care team not just as caregivers but as members of their extended family.
