

A warm welcome to Juniper Karinya

Formerly City of Bayswater

With a comfortable light-filled environment, a vibrant atmosphere and welcoming staff, residents can immediately feel at home.

Thoughtfully designed and furnished, the homely environment created by the Juniper Karinya care team ensures residents feel loved and respected in their own home.

The home has an active social calendar of events and outings, residents are free to partake as much or as little as they choose. An on-site GP clinic, allied health professionals, nursing and carers ensure residents receive quality person-centred care.

With 70 private rooms with ensuite with garden views spread across two wings, including a dementia-enabled care wing, residents can freely personalise their rooms to make them feel just right.

Visitors can also enjoy Friends' Cafe, an in-home kiosk, with their loved ones, as well as the numerous themed lounges, seating nooks, dining spaces and courtyards.

"Great friendly staff. They look after him really well. Great facilities, private room with own bathroom, foods great too. He really enjoys living there - Highly recommend."

The DINE Experience

At Juniper, we believe food is one of life's greatest pleasures, and serving wholesome, nutritious meals is the key to supporting our residents to live their best life. Each resident enjoys food from our DINE (Dignity In Nutritional Excellence) initiative. Our seasonallydriven menus are designed by our chefs and prepared daily at our on-site kitchen using local, quality ingredients.
