

A warm welcome to Juniper Trinity

Juniper Trinity is designed to make you feel as if you've never left home. With homely touches like resident photos, artwork and visitors enjoying time with residents, the home has a vibrant atmosphere.

Residents can take part if they wish in a range of events and activities on the home's social calendar. Staff take the time to get to know each resident to support their needs, personal interests, and hobbies so they can continue to live a life well lived.

The home is nestled within Juniper's beautiful Rowethorpe campus grounds, where family and friends can enjoy the many community facilities.

Rowethorpe Campus

Juniper Rowethorpe is a leafy, quiet and spacious multi-service campus offering wrap-around support with four Residential Aged Care homes, Transitional Care, Retirement Living and Home and Community Care. The safe and vibrant community has been designed so residents are able to connect with each other, family and friends with an on-site café, children's playground and large community centre.

The DINE Experience

At Juniper, we believe food is one of life's greatest pleasures and serving nutritious, wholesome meals is the key to supporting our residents to live their best life. Each resident enjoys food from our DINE (Dignity In Nutritional Excellence) initiative, cooked at our on-site Catering Centre by our team of qualified chefs using quality, locally-sourced ingredients.

"Fantastic, caring staff, Mum is very happy here, we feel blessed to have found Juniper Trinity."
