## Service duration

Services are charged with a minimum of 30 minutes, then in 15-minute increments after that.

## Administration

A 10% administration fee will be applicable to all consumable items and associated providers under Support at Home.

## Indirect costs

Some Allied Health and Nursing services may include an **indirect cost**. Indirect costs relate to important work that supports your care but does not involve face-to-face time. This can include care planning and coordination, clinical documentation, communication with your care team or other health professionals, and preparing recommendations or follow-up actions related to your services. Indirect costs are only applied where relevant and agreed as part of your care arrangements.

## Service cancellations

To cancel a scheduled service, we require at least two full business days' notice. If you cancel within two business days, or if you aren't present at the agreed time or place (no-show), Juniper is eligible to be paid in full for a service, and a customer contribution may also be charged. Please refer to your Support at home My Guide for further details.
